"The wise man cometh by leisure."  
Apocrypha

In the Summer a "young" prof's fancy ...

lightly turns ...

to thoughts of Fall.

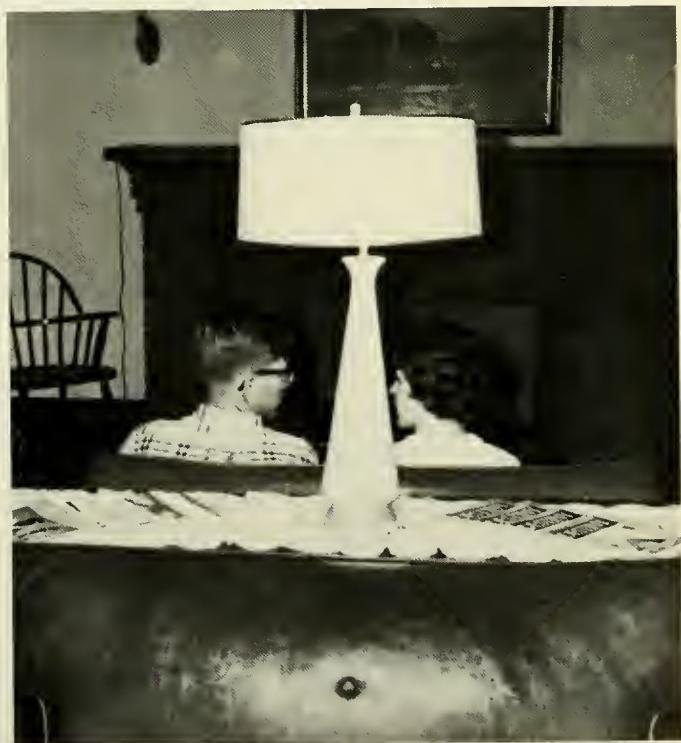

The people who wait for us

The room into which we were transplanted

The peers we have learned to know

The ones we have learned to love

## Registration

Registration is the term given to the necessary process of signing your name to millions of cards. This does get a little tiring by the end of the day, but the common bonds created by the common misery of signing and resigning these important documents gives everyone a glow of achievement which is important — achievement through registration.

Autumn is a time of rushing to class...

reaping the harvest...

talking to old friends and making new ones

## Freshman Days

our time was just beginning then  
our dreams were young  
as full of the newness of people  
classes—and the ritual of chapel

we were caught up in the morning tide  
of things—ideas—study  
we owned the universe  
it was ours  
to probe and dissect at will

knowledge  
grew like fruit—ripe for the picking

our ruts were secure and deep  
with the warm darkness  
that is before the brilliance  
of reality's harsh sun  
but we grew  
and the rut expanded  
laying the future at our feet  
to lift or trample  
the time is now

# Camp Mack

"What a great time we had!" we respond in remembering Camp Mack Day this year. The worrisome rain early that morning, the contrasting clear then surprisingly bright sky, the carefree fun of just "getting away" from school for one day—all these remain in our memories. And we also recall certain events: the efforts each class put into their games, the way all the students groaned right along with their tug-of-war contestants, the professors in their victorious softball defeat of the student men (especially with the help of President Helman's home run), and that special boy or girl with whom we walked along the lake. A tasty breakfast and lunch filled our empty stomachs, while our spirits were filled by the meditative atmosphere of the vesper service at the end.

## Breakaway

Breakaway, 1964! Our theme—"A Cupid's Tour of the World" Girls frantically perused yearbooks, tremulously dialed phones, boldly buttonholed classmates, and timidly asked the important question, "Would you like to go to—?" Boys cowered in dorms, waiting for buzzers to ring or sauntered around trying to look available.

When all dates were booked we proceeded on our tour—strolling and dining in France, glimpsing Hawaii, breakfasting in Germany, "sporting" in England, dancing in the Orient, and worshiping in America.

At the dance we chose Ron Beahm, junior candidate, as Breakaway king; while the charms of the court—John Gableman, freshman candidate; Jerry Fosnaugh, sophomore candidate; and Dave Mowery, junior candidate also delighted us.

On Sunday noon we sat back with a sigh, "Tour completed!" and back to normalcy.

Earlham Quaker is captured by a Manchester Spartan.

Coach Jarrett ponders the next strategy.

Spartan felled by Quaker attack.

Fans explode as the Spartans advance.

Our Saturday was filled with sights and sounds to please, from the strutting legs of the high school and college twirlers, to the flashing smile of our King; from the roar of 1200 bandsmen to the mellow tones of the stage band.

How strange to see the haughty oak  
now divest of summer's blessing  
and autumn's topaz glory  
left naked boughs in supplication  
to the pitiless wanng  
of the winter sun.

## Senior Ditch Day

## Mom's Day

One of the activities to which parents and students alike look forward is Mom's Day. This is the day we give our Mom's the red carpet service, while our Dad's fend for themselves in the Oaks. A special highlight of the day is the Bridal Review, in which recent M.C. brides model their wedding attire. This year we had the added pleasure of reviewing a wedding, Indian style.

# Homecoming

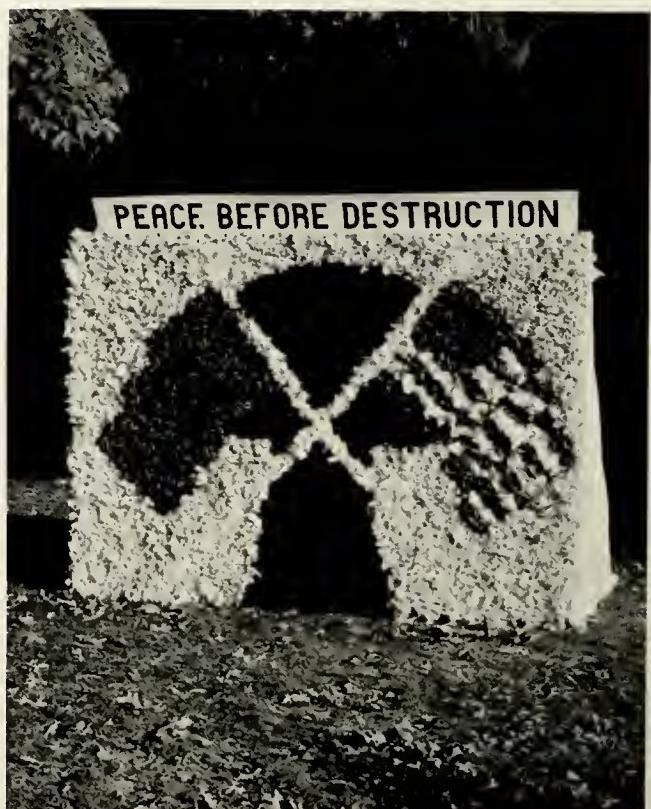

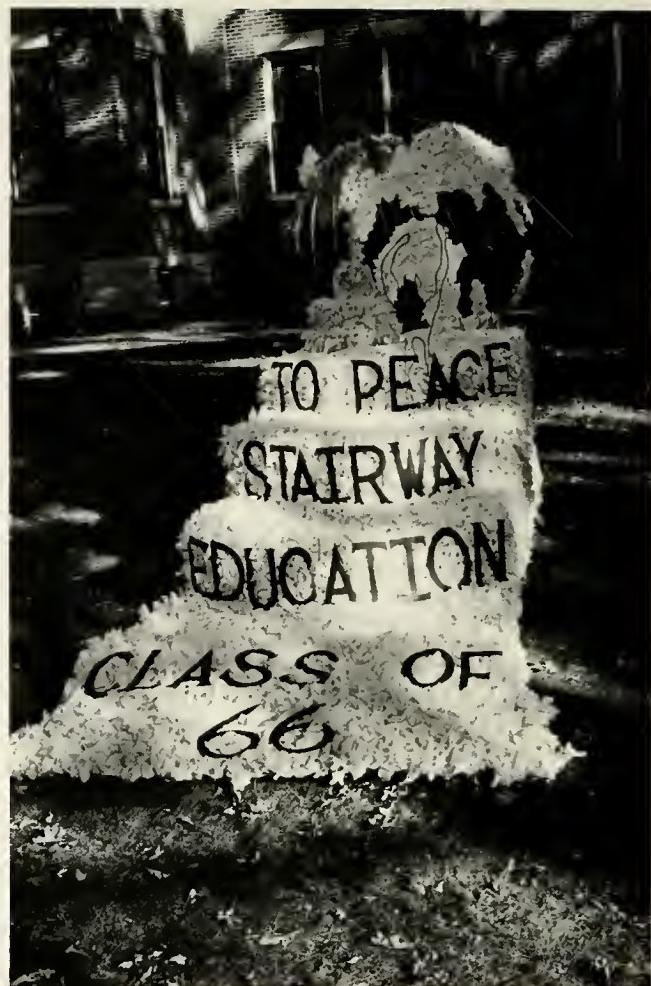

Ideal Fall weather greeted the large crowd of visiting alumni and friends of the college at Homecoming 1964. The day began with the judging of the Homecoming displays, which were the finest in many years. With "Symbols of Peace" as the theme of these displays, it was appropriate that Kairos, the campus peace organization, should take first place.

A special feature of the day was the dedication of the book, *Manchester College, The First Seventy-Five Years*.

That afternoon the Manchester Spartans fought diligently against the Earlham Quakers on the Kenapocomoco playing field, but were unable to stop the Earlham drive that led to a 46 to 21 victory for the Quakers. The game was highlighted by the half-time crowning of Eileen Weck as 1964 Homecoming queen.

Tri-Alpha's play "The Importance of Being Ernest" brought the day to a fitting close. Directed by Mr. Tom Roland, this light comedy was well received by the audience.

Homecoming 1964 is truly a time to be remembered by those who shared in the day's events.

# Junior and Senior Reception

On April 25, 1964, in the ballroom of the Van Orman Hotel the Junior Senior Reception took place.

In a setting which carried out the theme of "Beneath the Sea" a delicious banquet was served. Later, couples danced to the music of Jimmy Steer and his orchestra while others enjoyed the atmosphere of the balcony.

## May Day

The merriment of May Day, 1964, began Friday afternoon with the dismissal of classes, as everyone stepped back into history to don the clothing appropriate to a 75th Anniversary celebration. We saw some of our professors immersed in somewhat haphazard dunkard fashion and the fine features of others of the community besmeared with custard pie. There was comfort, too, in seeing administration and faculty endure the bonds of imprisonment. It was not without some vanity that some members of the community exhibited their costumes before judges. Others exhibited their muscles, as some stood high and dry while their less muscular brethren took a dip in the clear, refreshing waters of the beautiful Kenapocomoco! In the final event of the day, the Manchester girl in her typical shyness offered her box lunch for auction.

From the poise of our queens . . .

and the frolicking of our princesses . . .

we felt the warmth of reflected beauty, grace, and charm.

Alumni and parents joined our merriment on Saturday. The pageantry of May Day began with the parade depicting the theme, "Try to Remember". The presence of the queen and her court gave a dignity to our merriment. The court embodied the freshness and gaiety of our week-end. We felt a certain pride in the tradition which our queen symbolized. May queens of the past were guests of honor at the coronation.

There was communion in the laughter we shared with the faculty, administration and guests. In the common experience of celebration, there was a closeness which sprang from an appreciation of our history. We all burned a little, died a little, and grew a little as we watched Tri Alpha's production of "The Fantasticks". In the first act we laughed easily as we found escape into a world of make-believe. The second act brought us back to the real world in a shock of recognition.

The mood of May Day was not entirely lost after the week-end, for a feeling of unity and oneness remained with us in the weeks that followed. It is easy to sum up seventy-five years of existence in one week-end, but difficult to foresee the progress of the next seventy-five years. The Diamond Jubilee can never be a product, but only a mark in the process.

In a day when it is popular to think that "anything goes" Manchester has continued to bring the excellent in comedy, dancing, poetry and music to her students and to the people in this part of the state. This year the series featured: The National Players, the Raduga ballet and folk ensemble, John Ciardi, the New York Brass Quintet, and Archer and Gile.

# Football

The 64 "Spartan" gridders finished the season with an overall record of 3 wins and 6 losses yielding 2 wins and 4 losses in the HCC.

The "flying Scots" of Alma turned a pair of safetys and a touchdown into victory in the opener for both the "Spartans" and the "Scots". M.C. scored its two pointer when Bob Scheer blocked an attempted Alma punt. However, when the gun sounded the "Spartans" headed home with a 10-2 loss.

Again on the road, M.C. traveled to Fort Wayne, throne of the "Taylor Trojans". Fumbles and bad breaks proved costly for the "Greeks" who were shut out 14-0. The best "Spartan" effort came in the closing minutes when they were poised on the Trojan one yard line. Hodges and Thomas tried for the score, but an interception halted our chances.

While autumn burst forth with all its color, M.C. was trying for victory in the first home game. The spirit of Homecoming was in the air, but still the "Greeks"

fell short of the mark, being defeated 12-6 by the Franklin "Grizzlies". M.C. had one touchdown called back, but the next one stuck. Bob Gunn threw a pass to Frank Hole, giving the "Spartans" their first offensive score of the season.

Back on the road the "Spartans" traveled to the scenic campus of the "Hanover Hilltoppers". This time the "Greeks" came back victorious, defeating their conference rival 12-7. The victory was a result of fine team performance, with no individual carrying the bulk of the work. M.C. had finally found the key to victory.

The Kenamocopoco field marked the spot where M.C. suffered the worst defeat of the season. The "Quakers" from Earlham were in town, and the "Richmondites" tore up the "Kenapoc" to the tune of 46-21. Outstanding Spartans included Jim Lilley, Pat Hodges, and Terry Thomas. These fellows showed the "Quakers" that M.C. could still be tough.

Blair leads the interference, while Pat Hodges carries the ball for MC.

Traveling to the Anderson "Raven's" roost, the "Greeks" secured their second conference and overall win by stopping the "birds" 27-7. The centers of attraction were Bob Gunn's passes and Pat Hodges' runs. Roger Medors pulled in a blocked punt and scampered to pay dirt for one of M.C.'s scores.

The Dads filled the stands and the sons played winning football at the annual Dad's Day game. This year's foe, Bluffton, lost out 14-7 in what proved to be the season's most exciting game. This was to be the third and final victory for M.C.

The team hit the road again with hopes of having the first winning season for M.C. in quite some time. These hopes were short lived as Wilmington caught us by one point 14-13. Following their close battle, the "Greeks" headed for the last game at Indiana Central. This one, another heartbreaker, was lost by two points—14-12.

Wins vs. losses is not the only measurement of a team's performance. The "Spartans" of '64 played some top notch football but were hampered by bad breaks and losses of some games which could have gone either way.

Row five: Managers: Dave Medler, Phil Miller, Rex Thompson; Coaches: Jack Jarrett, Jim Gratz, Paul Hoffman; Managers: Dick Tully, Brian Weller.

Coach Jack Jarrett has been head of the "Spartan" eleven for the past three years. During this time coaches Paul Hoffman and Jim Gratz have assisted him.

Important to the success of any team are the student managers who spend countless hours working behind the scenes, making it possible to field a team for the big game on Saturday.

Coaches Jarrett, Hoffman, and Gratz will definitely be missing the service of the six graduating seniors. These men—Frank Hole, Terry Thomas, Bob Stewart, Jim Kaltenmark, Andy Mihail, and Bob Gunn—played excellent football for the "Greeks."

Four players were cited for being outstanding: Halfback Pat Carter, lineman Bob Stewart, and, chosen as honorary team captains, Jim Kaltenmark and Bob Gunn.

Manchester, Manchester, fight! fight! fight! As these familiar words echo across campus, the cheerleaders again lead the student body in a chant of the college fight song. Manchester's varsity and B-team cheerleaders, outfitted in black and gold, spur on our teams by increasing the spirit of both the team and the spectators.

Pleated skirts whirling as the Spartans score from the 30 yard line, voices raised in the "Touchdown Song" as the score board stands 7-0, black pom-poms shaking wildly as M.C. cagers sink another basket to cinch a close game - all of these are familiar sights around the college gridiron and gymnasium and typical of the cheerleaders, who with their pep and enthusiasm, play an important and colorful role at Manchester's athletic events.

Besides learning and introducing new cheers, as well as performing these with skill and timing, the cheerleaders make posters and banners, organize pep rallies and bonfires, and play an important part in the organization and function of the college pep club.

Cheerleading is time consuming and exhausting, but after another year of fun and activity, members of both cheering squads can look back to the day of tryouts when they nervously demonstrated their abilities to the student body and recall again the warm glow of pride and accomplishment felt when each was chosen one of Manchester's cheerleaders.

Four women and one man, ranging in class from sophomore to senior, composed the "64-65" Manchester cheering squad—Becky Eller, Iris Wion, Diane Wiley, Carolyn Dinsmore, and Doug Smith.

# Basketball

After a very successful season last year and the loss of only one regular from that team, the Manchester Spartans were expecting a fine season this year. And a fine season it was! The 64-65 Spartans compiled an impressive record of 17 wins against 3 defeats in regular season play. The Greeks also registered 8-2 in conference play which put them in second place behind Indiana Central. Manchester bombed this same Indiana Central team late in the season by a score of 112 to 88 in IC's only conference defeat.

Manchester's season began with a second place finish in the City of Richmond tournament. The Spartans experienced their first defeat at the hands of Hanover in the championship game of this tourney by one point in a double overtime. The team was not to be denied, however, as they came back strong to rack up 7 straight victories before faltering in their first encounter with Indiana Central by an 84-75 count. This was the largest losing margin of the season. The victories came over Kalamazoo, Defiance, Taylor, Anderson, Wm. Penn, Goshen, and Bluffton. Scoring was a strong point as the Spartans maintained an average of slightly less than 100 points per game.

The Spartans then won 8 more successive games before being upset by Taylor 83-81. During this time, vengeance was theirs as they defeated Hanover 87-49, and handed Indiana Central their only conference defeat. In their final game of the season, they blew the Franklin Grizzlies off the court by a score of 93-60. Other victories came at the expense of Tri-State, Earlham, Hanover, Ohio Northern, and

Anderson, The Spartans were then picked for post season action in the NAIA playoffs.

Senior guard Mike Kock played his last season for Manchester and did an outstanding job. His ballhandling and outside shooting ability were much needed assets. Prospects for next season look very good as Mike was the only senior on the starting five. We all thank the team for the fine season this year and wish the best of luck for next year.

# Cross Country

The Spartan cross country runners, composed mainly of freshmen and sophomores, turned in a respectable four-five season. Freshman Jim Reinoehl sparked the harriers attack leading the team in almost every meet. Reinoehl established a new time for the four miles 21:57, previously held by Leroy Wion at 21:58.

The Spartans dropped the season opener to Taylor, but picked up their first win in a three way meet defeating University of Illinois (Chicago) and losing to Valparaiso. The Homecoming bout with Franklin was successful, as were the two following meets with Grace and Marion. MC placed fourth in the Taylor Invitational field of eight. The harriers finished the season with three losses to Indiana Tech., Anderson and Indiana Central. The team placed fourth in the Conference meet.

Sophomore Bob Milton turned in fine performances all season.

## Track

The Spartan cindermen finished the season with a 8-6 record and finished fifth in the Hoosier College Conference meet. The team was led by Seniors Bill Wornhoff in the sprints, Art Grawcock in the hop-step-jump, and Jim Franks in the javelin throw. These men were three of the few upperclassmen on a squad consisting mainly of freshmen. Jim Franks was a consistent winner for the Spartans, losing only one meet all season. His throw of  $203'5\frac{3}{4}"$  set a new school record. In the conference meet at Hanover, Franks bettered his previous conference record with a toss of  $194'4"$ . He was the only Spartan to win a berth on the all-conference team.

Grove finishes a grueling 880.

Cassell readies for a low bounce.

The Spartan netmen, with a lengthened schedule (ten meets), posted an overall record of four wins and five losses. The burden of varsity competition fell this year on a young, inexperienced team; of the first five, three were sophomores, and one a freshman.

With a fine opening performance the squad edged out Concordia with four of seven matches. The next three were dropped to Goshen, Taylor and Indiana Central. A fine Homecoming show stopped Franklin 6-1. Goshen and Hanover squeaked by Manchester 3-4 in the two post Homecoming tilts. The Spartans bounced back defeating first Huntington and then Anderson. The final meet of the season resulted in a loss to Huntington.

Through the season the men often played the kind of inspired tennis expected only after years of experience.

The Manchester baseball Spartans survived another wet spring on the Kenopocomoco Field and came through with an 8-10 overall season record. A 4-6 record in conference play was good for a fourth place standing. The Spartans opened the season against a tough Valparaiso nine and suffered a 10-2 loss. They then came back to split a doubleheader with Concordia and one with Huntington (2nd game was called). A large crowd was on hand at May Day to watch the Spartans shut out Goshen 6-0. A tough Defiance team handed the Spartans two defeats, after which the season was finished against conference foes. Conference losses came at the hands of Anderson, Taylor, Franklin, and Indiana Central. Two Spartans, Joe Garcia and Dan Parsons, were selected for the all-conference team.

So we put Him upon a stick —  
but He seems to have gotten hold of the right end!

# Manchester Christian Association

# Brethren Student Christian Movement

One of the unique functions of BSCM is to give a better understanding of Brethren thought, as it was in the past, is now, and might be in the future. For this reason our theme this year was "What's Brethren?" One program of the Church of the Brethren which was discussed was Brethren Volunteer Service (B.V.S.).

BSCM Conference this year was at Juniata College in Pennsylvania during Thanksgiving vacation. Seventeen students and two advisers who attended from Manchester had a very challenging and rewarding experience. The theme was "Christ Alone?" and the speaker Rev. Alvord Beardslee. He presented many thought provoking ideas which made conferees look again at their Christian faith in order to gain growth in their understanding of the purpose of Christianity. Next year the BSCM Conference will be at La Verne College, California during the Christmas vacation.

Besides participating in two weekend retreats at Epworth Forest and sponsoring a successful all-school movie, the organization sent three delegates to the MSM National Quadrennial

Conference at Lincoln, Nebraska, December 27-January 2. Included also in the year's events were occasional banquets, experiences of high school students during a work camp in Bolivia, and a talk by coach Don Odle from Taylor.

Students from all denominations are welcomed at MSM, thus promoting fellowship and understanding among students of various churches.

Formerly known as Church Vocations, Ecclesia, "The called out", is the club designed for those students who are interested in going into full time church related vocations. This year the club operated on a sub-group basis organized according to vocational interests. The major sub-group concerned future pastors.

Kairos is a source of opportunities for service and education to meet the personal and social needs of our community, nation, and the world.

This loosely knit organization exists as an organ of communication and response for Manchester College regarding the socio-political challenges within the realm of student influence.

Membership in Kairos is fluid and requires only a concern and readiness to learn and serve as the opportune times arise.

Being a part of the paper not only gives students practice in writing skill and in accepting responsibility, but it also offers the opportunity through their various assignments and interviews, to get to know campus leaders and faculty members better.

Each Manchester student receives the *Oak Leaves* weekly which is paid for in his tuition. Students have the chance by means of the editorial page to air their views on national affairs or the latest campus gripe.

# Tri Alpha

Distinctly organized for the purpose of presenting to Manchester College and community exciting, tasteful, perfected drama and musicals, Tri-Alpha boasts one of the largest and most active memberships on campus.

A member of Tri-Alpha is considered in good standing when he, or she, has adequately worked on all Tri-Alpha sponsored shows in a selected area of set construction, set decoration, lights, costumes, make-up, or acting.

Members of Tri-Alpha meet every month for an hour of stage education and planning. Other meetings are called by those in charge of production. A get-acquainted party, halloween party, Christmas party, and sponsoring of all-school events provide the needed social outlet for its members.

The National Honorary Dramatics Fraternity, Alpha Psi Omega, selects worthy members of Tri-Alpha to the honor of its organization. Outstanding performances for the season's shows are awarded, at the annual Tri-Alpha Banquet; the year is brought to a close with the announcing of next year's shows.

This year it was Tri-Alpha's pleasure to present to the community three productions: *The Importance of Being Earnest*, *Murder in the Cathedral*, and *Bye Bye Birdie*, and to initiate the Sunday Evening Film Series Classics as a means of enriching the campus program. It is the aim of Tri-Alpha to continue to entertain M.C. audiences with fresh, and perfected dramatics.

# WMIB

Brent Barkman of Elkart is the Station Manager.

North Manchester—Manchester College radio station WMIB was one of ten American college and university radio stations listed as typical Inter-collegiate Broadcasting System stations.

WMIB's staff and personnel work diligently the year 'round to serve the needs of the campus community. Through this important means of communication Manchester's students are kept up-to-date on news and campus events, given the opportunity to share the thrill and excitement of distant sporting events, and provided with entertainment for their leisure hours.

Approximately thirty students serve on the WMIB staff. The station broadcasts are limited to Manchester College students living on the campus. Programs totaling thirty-two hours per week are broadcast over the closed circuit carrier-current radio system.

# Click Clique

S. Joseph, R. Fulk, B. Baker, A. Walker, Secretary-Treasurer; P. Pletcher, R. Yodet, B. Joseph, President.

Click Clique, sponsored by Professor Adams, is the organization in which the camera enthusiasts gather together to share their ideas and experiences in picture taking. The members learn what makes a good picture: that a good picture is something more than snapping the shutter on the little black box and that the little black box is something more than a box you aim at an object and out comes a picture of that object. Members also learn the techniques of developing film and printing pictures; there is nothing more satisfying to a Click Clique member than to enter the dark-room and print a picture which he has taken.

# Octo Rolo

The gym is filled with the hollow sound of the eight rollers on each roloite—eight rollers being the origin of the club's name: Octo Rolo.

Some of the members have great skill in skating and some do not, but all have the spirit and interest it takes to have a successful club. Among the fox trot, the waltz, the stroll, and the polka, the Roloites can be found attempting to go forward, backward, sideways, end over end, around in circles, playing tag, and having a tug of war. All of these stunts are illustrative of the brave souls who dare the elements of gravity and friction of the hard gym floor.

The club's officers are: Janet Cook, President; Betty Martin, Secretary; and La Donna Nevling, Treasurer. Mr. Mackenzie is the sponsor.

The officers of the club are: George Loveland, President, Cherie Bane, Vice-president, Mary Jo Willingham, Recording secretary, LaDonna Nerling, Corresponding secretary, and Linda Forrester, Treasurer. The club supported the Republican ticket at the local, state, and national levels in the recent election by knowing the qualifications of the candidates and by

passing this knowledge on to others. The Young Republicans made arrangements to have candidates come to our campus and communicate their ideas to those interested. We held debates with other clubs which were open to the public. Though Senator Goldwater was defeated at the polls, we cannot feel that our cause has lost: we are still Republicans who still hold the ideals of the Republican Party in the highest esteem.

It is the purpose of this organization to provide an opportunity for English-speaking students to learn more about the culture of the Spanish-speaking countries. Since Spanish club is the only language club on campus, we invite all students fluent in other languages to share their experiences with us as members.

## International Relations Club

The International Relations Club strives to improve our understanding of other nations by presenting informative programs on their customs and thinking, political, economical, and social situations. The activities of the club, besides regular meetings, include occasional field trips to different businesses within the area of the college, a club banquet held in the spring of the year, and a picnic as the last meeting of the year. The Club builds a display for Homecoming and a float for May Day. An addition this year is the sponsorship of the L.D. Ikenberry award which is given to a senior student based upon his academic record, community citizenship, and potential success in his chosen area of business.

## AWS

Not a new institution, our women's government organization acquired a new name this year because we recently became affiliated with the National Association of Women Students.

Manchester's Association of Women Students of which all co-eds are members, establishes a working, representative women's government. The executive board, working through the dorm councils, endeavors to provide avenues of communication with each aspect of women's campus life, thus working toward a more stimulating, rewarding college experience. Believing that college life at its best involves a variety of experiences, A.W.S. has attempted to provide opportunities for growth in the physical, mental, and social spheres of life.

# A Cappella Choir

Dr. Holsinger has conducted A Cappella for 19 years.

The A Cappella Choir, Manchester College's busiest choral group, is a forty-voice ensemble directed by Dr. Clyde W. Holsinger, head of the music department. It is open to all students by audition. The choir's purpose is to perform concerts of sacred and secular music in churches, high schools, and on the campus; to expose themselves and their hearers to the finest in choral literature; and to assist in the performance of productions involving choral music, such as combined choir concerts, oratorios, and operas. As the name implies, much of the music which the organization performs is unaccompanied; but a considerable amount of accompanied literature is used also. Traditionally, this ensemble has attempted to set and maintain a high standard of excellence both in choice of literature and in its performance.

Some of the highlights of this year's schedule were the pre-school and Camp Mack weekend rehearsal; concerts before the Church of the Brethren Regional Conference in October; the Indiana Pastor's Conference at Depauw University in February; the Lafayette, Indiana, Council of Churches Lenten Services; the Music Educators National Conference North-Central Division convention at Indianapolis in March, and the annual 10-day Easter tour, this year through Illinois. There also were appearances at the Founders' Day Convocation, Commencement, and student convocations; and Sunday concert outing to Churches of the Brethren throughout Indiana.

# Chapel Choir

The Chapel Choir, under the direction of Mr. Clyde Holsinger, is one of the more active organizations on campus. In addition to providing music for chapel services, it participates in the annual Christmas program and the Spring Choral Concert.

While the primary purpose of the choir is chapel performance, it also serves as a training ground for the A Cappella Choir.

This year the choir built a Homecoming display with the theme "Music to soothe the savage beast."

During their two rehearsals per week, the fifty-five musicians attempt to acquaint themselves with a variety of good music as well as prepare for performances.

The choir is being guided by Donald Roegner, president; Roger Bruker, vice-president; Loretta Shick, secretary; and Joyce Parmerlee, treasurer.

Women's Glee Club is a choral organization designed to provide choral experience to the girl who has a desire to sing. A member may enroll for credit if she desires. Valuable experience is gained in the technique of singing, reading music, and participating in group activities. Many types of vocal literature from most periods of music history are read and performed, including sacred, secular, and semi-popular compositions in two to four part harmony.

Performances are given in chapel, nearby churches, local events and at least once a year in a combined concert with the other combined choral organizations. A member of Glee Club has automatic membership in Choral Society. Club activities include contributions to college events and the traditional party at the conclusion of the year.

# Orchestra

The Symphony Orchestra has a new director during its 26th season. C. Dwight Oltman conducted the series of three concerts.

The Orchestra is a joint project of Manchester College and the North Manchester Civic Symphony Society. In addition to college personnel, musicians come from the local community and thirteen area cities.

Guest artists frequently appear with the Orchestra. Miss Joo Ran Kim, brilliant young Korean pianist, was soloist on the Fall Concert. Mr. Oltman programmed major symphonies and concerti to give performers and listeners musical experiences rarely found in a small community.

Oltman conducts a last minute rehearsal before the audience arrives.

# Symphonic Band

Director Oltman strives for perception in expression from band members.

Competition for membership in the Symphonic Band was unusually keen this year. Mr. Oltman selected 65 players from a large number of students who auditioned.

Since an overwhelming majority of Manchester College bandsmen here indicated a preference for concert work rather than marching, a fall concert supplanted marching activity. Fred Hemke, famous saxophone virtuoso, performed with the band. High School Band Day, a Christmas Convocation, formal concerts in February and May, and a three day band tour were other public appearances giving the ensemble opportunity to perform a wide variety of fine literature.

## Stage Band

The Manchester Stage Band was formed in 1963 to play various styles of contemporary jazz. A pre-requisite for membership is membership in the Concert Band. The group plays for convocations and programs on campus. Fees collected by the group from college and area dances are used entirely to provide music and equipment. The group's sponsor is Mr. C. Dwight Oltman, who also plays trombone.

## String Quartet

M. Whitmore, cello; M. L. Klotz, violin; E. Miller, pianist; E. Carpenter, violin; Mr. Stinebaugh, violin.

Through the years Manchester College has maintained string ensembles, but not until Professor Stinebaugh joined the faculty in 1946 as director of stringed instruments was the program made more an integral part of the curricular and cultural activities.

The String Quartet is one of several string groups, others being the String Trio and the String Ensemble. Members selected for these organizations represent the more advanced string players in the college; auditions are held each year for those who seek to qualify for these special groups. A wide range of literature is studied, although the vast repertoire from the Baroque era is naturally predominant. Much pleasure is derived by these musicians as they seek artistic expression and perform for many campus and off-campus functions during their college experience.

## MENC

The purpose of the Manchester College M.E.N.C. is to provide music students with the opportunity for professional orientation and development while still in school. It is expected that students will benefit from such an organization, specifically with respect to the following:

The truths and principles underlying the role of music in human life.

An application of this philosophy which will develop a practical, realistic concept as to the function of the music education profession, is expected that this will be an outgrowth of actual participation in chapter activities.

An extention of interests into areas beyond the limits of the curriculum requirements of the sponsoring college.

A diffusion of knowledge and practices for the

pre-professional music educator which will facilitate the assumption of his professional duties upon graduation.

Our Chapter 9 is one of 432 Chapters in the United States. Meetings are held monthly. Some of the activities our club has sponsored this year are: Mr. James Adams of the art department who correlated music with art; A discussion of teaching by a high school teacher, Mr. Corlyle Drake, an alumnus of Manchester College; Christmas Party; Films; Visit by performing high school groups; Correlation of the science of sound with music by Mr. Farringer; and a banquet in the spring when new officers were elected.

The M.E.N.C. cabinet officers are: Karen Friedley, president; Evelyn Hood, Vice-President; Shirley Studebaker, Secretary; Mack Whitmore, Treasurer. Our sponsor is Mr. Vernon Stinebaugh.

Mu Pi Sigma is the Manchester College Physics Club which serves M.C. students with an interest in physics, regardless of a person's major field.

Programs for the year generally include presentations by students and faculty, outside speakers, field trips, and films. These programs present the opportunity to gain insight into recent developments and events in physics.

Outstanding achievement in the study of mathematics on the undergraduate level is recognized through the society. Monthly meetings are held at which students, professors, and speakers from outside the campus community present programs on a variety of mathematical topics which help to develop an appreciation of the powers of mathematics. ## Biology

Biology Club was organized three years ago for anyone interested in biology; especially encouraged to join are the biology majors and pre-med students, but the only requirement is a healthy interest in biology. This club accordingly tried to get the full spectrum in appeal to every interest such as speakers, both from campus and outside; field trips; and films of wide

variety. Biology Club also sponsors the campus museum, which is open on special events, and the aquarium in the entrance of the Science Hall. A banquet in the spring usually finishes the year as a dress-up occasion with a special guest speaker. The total year is one of interesting entertainment and pleasant education.

## Psychology

Anyone interested, student or faculty, in furthering his understanding of himself and others, is invited to be a member of the Psychology Club. This organization is relatively new, as it originated in the year 1962-63; it is still in the process of shaping its aims.

The Psychology Club of 1964-65 has many goals. The first of these goals is keeping members abreast of current trends in psychology and keeping them informed of vocational opportunities. A goal of much value to the psychology major is that of giving him firsthand experience in conditions under which people

in his field work. This is implemented by taking trips and contacting Manchester College graduates in this field. The perpetual problem of inter-disciplinary and interorganizational communication is also given attention, along with realizing the influences of each upon the other. Another goal is to put the theory learned in the classroom into practice. This is not the last or final goal; Psychology Club is not a static organization, but a dynamic one, seeking to extend and widen its aims.

## Les Artistes

K. Gibson, E. Juengel, W. Angle, B. Kirby, T. Reed, B. Kinsel, D. Rushton, S. Myers, M. Krieger, P. Myers, J. Ockerman.

The Art Club—Les Artistes, has been formed because there is a general feeling that there ought to be more art work displayed about the campus. The Art Club, therefore, sponsors exhibits of student's works and also special shows brought to the school. The club makes available information concerning these exhibits and directs tours for those who desire it. Another purpose of the club is to be a stimulus and opportunity for participation in art activities. The Art Club also sends student work to the Fort Wayne Annual Show and to other exhibits when possible.

Some of its other activities are tours of art galleries in this area and bringing in speakers or movies concerning phases of art not covered in regular classes.

One of the Art Club's biggest projects is its Spring Show. Here student works are judged and a prize is given to the best work displayed.

Their sponsors are Mr. Allen and Mr. Adams.

to the many opportunities available in education. Its activities during the year usually include such items as an ice cream social, a Christmas dance, monthly meetings with superintendents, student teachers, movies, skits, and dynamic educators, and participation in state education association meetings. ## Colhecon

Colhecon is comprised of home economic students and additional college women who share a common interest in homemaking and a desire for information concerning the various aspects of home-building. Whether or not these girls are home economic students, they find opportunities for learning and serving through Colhecon. Some of the year's activities included bi-monthly meetings with such programs as Mrs. Studebaker, "A Visit To Nigeria"; Mrs. Wendel, "Furnishing The Home"; Ann Sakaguchi, "Wastepaper Baskets"; and a panel on summer jobs. The year began with a fall Open House for freshman and new students interested in Colhecon. Colhecon

participated in the Homecoming festivities with a display and a Coffee Hour for past and present members of Colhecon. In January the Colhecon Date Banquet was again the highlight of the year with the installation of new officers. The service project was made possible by the money received from the Sweet Sale held the first of December. Other activities included ushering for Lyceum programs and the fall and spring state conventions. These events gave the members opportunities to deal with people and to develop leadership abilities, as well as to share their interest and knowledge concerning their profession.

For three years we have spent countless hours pursuing knowledge both of the world and of ourselves. Now as we wait here on the brink of the fourth and last year that we will spend at Manchester College, we might do well to stop for a moment and take inventory of just what we've done and what we hope to do.

Those of you who will, at the end of May, receive that much desired diploma, will step out into another kind of world to make your way there. But, we who will assume your role as seniors will also step into a new world. We will not leave the confines of this college, we will for one last, brief nine months walk the same path under the watchful eyes of the old trees who have sheltered the aching hopes and dreams of 76 years of students, but all the same we will have a new and different role in the scheme of things. And, we will stand on the threshold of that same door you've just gone through.

We came to college full of lovely aspirations and scared to death. That first year was just one long adjustment to a different kind of life, full of so many people, rules, regulations, courses, professors, and matriculation cards, that we weren't really sure of just what was going on. The security of loved ones was for the first time gone, and we found ourselves quite alone. Then after nine months, three report cards, and countless experiences, all of the confusion seemed to form a rather nice picture.

That second year was easier in lots of ways, but after a summer at home, it was still hard to pack all of our belongings and come back to books, courses, and final exams. The year was nice, though, and once it began, it painlessly slipped away into this our third year. By now we actually knew what we were doing. We became more involved in what was going on, got elected to offices, and participated in more of the campus life. The months were gone all too soon and now as we come to the end of the year we wonder how so much time could have passed us by.

What we've learned can't ever be measured by examinations or put down in books. We have more principles and illusions, dreams and desires, and courage for the future than we will ever again possess.

Mary Jo Willingham

## Editors' Note

A yearbook is the diary of an institution. In minimal form it can be, and often is; a collection of photos of individuals whom no one can remember, clubs which have no apparent purpose, and faculty members whose place in the scheme of things is vague. The job of the yearbook staff, then, involves the attempt to integrate these elements into a comprehensive, and comprehensible whole.

A yearbook is both a preserver and creator of memories. It is to be admitted that in the latter function the book affects few people, but any staff member—or non-staff member—who has been pressed into service to meet a deadline can testify that his tension at this time was real and memorable. To those who gave us their assistance we reinforce our oft-repeated verbal thanks with our written acknowledgments here. We are grateful to: Our staff, Dr. Hoff, Mr. James Garber, Mr. Robert Nelson, Mr. Ralph Naragon, Miss Dorothy Johnson, Mrs. June Wolf—and the countless others who contributed.
